

Katherine Hayles

The distinguished author N. Katherine Hayles gave a public lecture on Friday May 30 in the Bell Auditorium in conjunction with the NSCAD Public Lecture Series and the SSHRC Symposium. Her talk was sponsored with research funds from the Social Sciences and Humanities Research Council of Canada.

Dr. N. Katherine Hayles is a joint Professor with the Department of Design, Media Arts and English at UCLA. Katherine Hayles's recent book *Writing Machines* (MIT Press), won the Susanne Langer Award for Outstanding Scholarship. An experimental work that is at once a visual and a verbal argument, the book is a collaboration with designer Anne Burdick.
